

Care Consultancy is the corporate support and services division of Care Assessment Consultants Pty Ltd, and is currently providing governance, management and administration services for Care Assess, Care Forward and its other businesses. Since 1999, we have been enabling more and more people to live well at home.

Services Manager

(Registered Nurse, Level 4/5)

Care Consultancy is planning to meet current needs with consideration to future growth. Expressions of Interest are sought from senior experienced registered nurses for a level 4 or 5 management position (Nurses Award) that will provide:

- Head clinical governance of service delivery and practice;
- Continuous improvement of client outcomes and service value;
- Service innovation and leadership in best practice; and
- Strategic development and stakeholder engagement.

Essential requirements include:

- Qualified Registered Nurse with current AHPRA registration;
- Significant experience within scope of practice in community-based care;
- High-level skills in service management, assessment, care coordination, case management and community healthcare; and
- Demonstrated strategic and leadership ability.
