

COMPANY UPDATE

26 May 2016

Dear Stakeholder,

with you, for you 

New Opportunities for Jane Smith!

It is with enormous gratitude and heartfelt appreciation that I wish to announce that Jane Smith as current Operations Manager has accepted an offer of a voluntary redundancy from 1 July 2016.

I am extremely pleased to be able to afford Jane the opportunity of a rewarding break before she commences in an exciting new role that she has accepted as Practice Manager of a new General Practice, which is opening up near her home at the end of the year!

This exciting change for Jane has enabled me to plan and appoint our new full time and dedicated CEO to manage the organisation under my oversight as Managing Director.

Jane has been instrumental in the success of this company since 2008. Commencing with us as Business Development Manager, her roles and responsibilities have grown exponentially as she took on a position of Operations Manager during the company's expansion over the last 5 ½ years since I took on the organisation.

Jane has led our staff and served our clients and stakeholders with a commitment and dedication that is second to none. She is an amazingly generous person and an incredibly dear friend of mine and a very great many colleagues across Tasmania.

It is no exaggeration to say that this company owes a continuing debt to her for close to a decade of tireless energy, expertise and experienced management of an operation that has more than tripled in size over that period.

Having come from a senior role as Statewide Manager in the General Practice sector (which she loves!), she now returns at an exciting time when good management and coordination of primary care in practices and in the community is more vital than ever.

We look forward to continuing to work with you, for you, in the near future Jane, with all that we offer from Care Assess, Care Consultancy and Care Forward!

I invite all our stakeholders, clients and customers to please contact Jane prior to 1 July 2016 or email CEO@careconsultancy.com.au to let us know how we can work with you, for you.

Together, we can do better!

Warm regards, Joe
